

Limited Status Enrollment

Are you interested in taking a couple of courses before applying to the program?

If so, you can take up to 12 units of graduate-level coursework as a limited status student before making a decision to apply to the program.

What does this entail?

- This option lets you get a feel for our courses without having to go through the application process of official admittance
- You can register either as an on-site or distance student
- Once you take a few courses you can then decide, before finishing your final 12 units of coursework, whether or not to pursue a certificate or degree in the program
- All that is required is that you must have a baccalaureate degree and be a domestic student

How to get started?

- First, decide which course(s) you are interested in. You will want to take a look at the schedule of courses on our website:
http://regulatory.usc.edu/program_Schedule.aspx
- It is important you enroll no later than 2 weeks* before the first day of class (*except for MPTX 517, which requires you to enroll no later than 1.5 month in advance)
- To enroll, please contact the program at (323) 442-3102 or email at regsci@usc.edu You will want to request at this time the LIMITED ENROLLMENT FORM from program personnel
- This one page enrollment form requires you to fill-in your pertinent contact information which includes the course number, term, and onsite/distance option.
- You will receive a email confirmation soon after you fax-in or email this into us
- Note: Tuition is due 1-2 weeks after submission of form which can be paid by contacting the cashier's office at (323) 442-3040

Paying for courses?

Do you receive tuition reimbursement from your company?

- If yes, then you have two options for payment:
 - 1) You may be eligible for USC's tuition reimbursement payment options. See this link for more information: <http://fbs.usc.edu/depts/sfs/page/2111/reimbursed-tuition/> You may also call Student Financial Services at (213) 740-4077 for more information.

or
 - 2) You may pay for your total tuition amount up front via private funding with the cashiers office at (323) 442-3040. When you have completed the course and your final grades are in, you may request a tuition letter for reimbursement from the program manager at regsci@usc.edu. Please include your current mailing address with this request. Once you receive this official letter from us, you will then submit this to your company so they can reimburse you directly.
- If no, then you will need to pay full tuition upfront through private funding

Questions still? Please contact us directly!
