REGULATORYSCIENCE

Regulatory Science Program Fall 2016

Medical Writing *a 3-unit Graduate Class– MPTX518* *“Writing Regulatory Submissions”*

9 am – 5 pm, August 26, September 25,
October 2, October 14, December 2

USC Health Sciences Campus

Students with a basic knowledge of biomedical science will study the rules and methods by which scientific information is best communicated. Writing assignments will be used to identify individual concerns with grammatical construction, style and format. Students will learn to present scientific information in a convincing and credible way to the lay public, regulatory agencies and the media.

To register for this 3 unit graduate level course
Please email regsci@usc.edu or call 323-442-3102
Last day to register is Monday, August 15

Class is offered by the [Regulatory Science](#) program
